

Annual WaterFest Sponsor Opportunities

South Platte Renew invites your organization to support our annual WaterFest event, a community event to celebrate water and promote environmental awareness.

This high-visibility, family-friendly community event invites the entire community to come together and celebrate the importance of water in our lives. By sponsoring this initiative, your company will align with environmental sustainability while gaining valuable exposure to environmentally conscious community members.

Participants can look forward to:

- Free food and refreshments
- Interactive booths providing valuable insights into water and natural resource renewal
- Engaging games and prizes
- Guided tours of the water renewal facility and treatment process

Sponsorship Benefits:

- Associate your brand with environmental leadership
- Community goodwill through visible support of local conservation efforts
- Recognition among participants committed to sustainability
- Opportunity for employee team building through attendance

Join us in making a measurable difference in our community's environmental health. Your sponsorship helps ensure the continued protection of our shared natural resources.

To register as a sponsor for our WaterFest event, [please complete our online sponsorship form](#). Your timely registration will ensure we can properly recognize your organization's valuable contribution in all event materials and promotions.
